Subject: Campaign Treasurer form

Good morning,

Just in case you didn't know, the candidates filing their applications for the Town of Poetry will need to file their Campaign Treasurer (CTA) form with the Texas Ethics Commission. Below you'll find the TEC response they gave me on how and where they'll need to send their forms:

*Per Tex. Elec. Code 252.005(5), since the City of Poetry is partly in Hunt County and partly in Kaufman County, CTAs and campaign finance reports for candidates are filed with the Texas Ethics Commission. Once Poetry has elected their first set of council members and mayor, CTAs and campaign finance reports will be filed with the City of Poetry.

*The CTA is emailed to treasappoint@ethics.state.tx.us. They also need to send in a Form Security-CF (<https://www.ethics.state.tx.us/data/forms/security/security-cf.pdf>), and send that in in the same email. The CTA begins their campaign; the Form Security gets the filer into our electronic filing application to file their campaign finance reports. Once they get into our system, all campaign finance reports are filed electronically.

Thank you,

Jose G. Martinez
