

I am a lifelong resident of the Poetry area. I currently am a partner in L&J Poetry Ranch, LP. We produce commercial cattle. We run a cow/calf operation as well as a yearling/ feeder/stocker program with our headquarters and homes located in Poetry, Texas. I previously worked in early childhood education as a kindergarten teacher, team leader, and private school director. I am blessed to wear the title of mother to an amazing daughter. In the past I have enjoyed volunteering my time with the Texas Baptist Men, serving the Rodeo Community on the Texas Junior High Rodeo State Board, Region 4 High School Rodeo Board, and The Lone Star High School Rodeo Association Board. I have also served on many committees as a member of Emmanuel Baptist Church. I am looking forward to helping our newly incorporated hometown with our next step. I am POETRY PROUD!
