

**Subject: Neighborhood Survey for Road Improvement Grant**

Dear Neighbors,

Members of our community will soon be visiting homes in your area to conduct a brief survey that will help the Town of Poetry qualify for a **Texas Department of Agriculture (TDA) grant in the amount of \$750,000** for road improvement projects. **We have been awarded this grant**, and the survey is a required step to move forward with the project.

The Town Council has approved **five roads** to be included in this grant funding to improve our roadways, and your participation is very important. The survey helps document community information and support as part of the grant process.

Survey volunteers will be respectful of your time and property. The survey is short and only takes a few minutes to complete.

If you have any questions or would like more information, please feel free to reach out:

- **Dale Bryant, Councilmember:** 972-342-6166
- **Tracie Hibbs, Councilwoman:** 214-649-5497

We truly appreciate your time and participation as we work together to improve our town's roadways.

Sincerely,  
Town of Poetry Town Council
