

Living the Dream in Poetry, Texas

Greetings, neighbors. I am Ivy Campbell and I am running for Town of Poetry Councilperson in the May 2023 election.

For almost five years now I have been living the dream on my small ranch in Poetry with three amazing young men, my boys, Noah (22), Levi (20), and Luke (17), and my father. I am a Marine and now work in the Telecom industry as a Network Security Engineer.

I grew up in the DFW metroplex but spending my summers at a church camp in Wills Point, I always dreamed of starting my own farm and living in the country in this beautiful part of Texas.

I have spent most of my life working for or with government entities, from 911 dispatcher for Garland, Tx to Recycling Coordinator for a large borough in Alaska. I have watched and participated in communities that make amazing strides through persistence and dedicated volunteer efforts.

Should you favor me with the opportunity to represent you on our town council, I will listen closely to your vision and do my best to be your voice in our small town. I will work diligently with other council members to keep government and rules and regulation to a minimum; to maintain our roads through county assistance and Poetry's amazing local volunteer efforts.

I believe in maintaining the country way of life, that is why I moved to the beautiful, small Town of Poetry, with a small volunteer-based government, and with even smaller property taxes. Should I be elected, I will uphold and protect this way of life for my neighbors, friends, and my family. I want Poetry to be a legacy I can pass down to my children and grandchildren. Thank you for your consideration.
