SECTION 2. GRANT OF AUTHORITY:

That there is hereby granted to Oncor Electric Delivery Company LLC, its successors and assigns (herein called "Company"), the right, privilege and franchise to construct, extend, maintain and operate in, along, under and across the present and future streets, alleys, highways, easements held by the Town to which the Town holds the property rights in regard to use for utilities, public ways and other public property ("Public Rights-of-Way" or "Rights-of-Way") of the Town of Poetry, Texas (herein called "Town") electric power lines, with all necessary or desirable appurtenances (including underground conduits, poles, towers, wires, transmission lines, telephone and communication lines, and other structures for Company's own use), (herein called "Facilities") for the purpose of delivering electricity to the Town, the inhabitants thereof, and persons, firms and corporations beyond the corporate limits thereof, for the term set out in Section 9.

SECTION 3. CONSTRUCTION, MAINTENANCE, OPERATION AND RELOCATION OF FACILITIES:

Poles, towers and other structures shall be so erected as not to unreasonably interfere with traffic over streets, alleys and highways.

The Town reserves the right to lay, and permit to be laid, storm, sewer, gas, water, wastewater and other pipe lines, cables, and conduits, or other improvements and to do and permit to be done any underground or overhead work that may be necessary or proper in, across, along, over, or under Public Rights-of-Way occupied by Company. The Town also reserves the right to change in any manner any curb, sidewalk, highway, alley, public way, street, utility lines (or in the case of utility line owned by Company, to require that change by Company), storm sewers, drainage basins, drainage ditches, and the like. Town shall provide Company with at least thirty (30) days' notice when requesting Company to relocate facilities and shall specify a new location for such facilities along the Public Rights-of-Way. Company shall, except in cases of emergency conditions or work incidental in nature, obtain a permit, if required by Town ordinance, prior to performing work in the Public Rights-of-Way, except in no instance shall Company be required to pay fees or bonds related to its use of the Public Rights-of-Way, despite the Town's enactment of any ordinance providing the contrary. Company shall construct its facilities in conformance with the applicable provisions of the National Electrical Safety Code. Town-requested relocations of Company facilities in the Public Rights-of-Way shall be at the Company's expense; provided however, if the Town is the end use Retail Customer (customer who purchases electric power or energy and ultimately consumes it) requesting the removal or relocation of Company Facilities for its own benefit, or the project requiring the relocation is solely aesthetic/beautification in nature, it will be at the total expense of the Town. Provided further, if the relocation request includes, or is for, the Company to relocate above-ground facilities to an underground location, Town shall be fully responsible for the additional cost of placing the facilities underground.

If any other corporation or person (other than Town) requests Company to relocate Company facilities located in Town Rights-of-Ways, the Company shall not be bound to make such changes until such other corporation or person shall have undertaken, with good and sufficient bond, to reimburse the Company for any costs, loss, or expense which will be caused by, or arises out of such change, alteration, or relocation of Company's Facilities. Town may not request the Company to pay for any relocation which has already been requested, and paid for, by any entity other than Town.

If Town abandons any Public Rights-of-Way in which Company has facilities, such abandonment shall be conditioned on Company's right to maintain its use of the former Public Rights-of-Way and on the obligation of the party to whom the Public Rights-of-Way is abandoned to reimburse Company for all removal or relocation expenses if Company agrees to the removal or relocation of its facilities following

abandonment of the Public Rights-of-Way. If the party to whom the Public Rights-of-Way is abandoned requests the Company to remove or relocate its facilities and Company agrees to such removal or relocation, such removal or relocation shall be done within a reasonable time at the expense of the party requesting the removal or relocation. If relocation cannot practically be made to another Public Rights-of-Way, the expense of any right-of-way acquisition shall be considered a relocation expense to be reimbursed by the party requesting the relocation.

The Company shall restore at the Company's expense, all work within the Town Public Rights-of-Way, to a condition equally as good as it was immediately prior to being disturbed by Company's construction, excavation, repair or removal or to a condition agreed upon by Town and Company. If Town or Company believe that there are extenuating circumstances that do not allow for restoration of all work within the Town Rights-of-Way to a condition equally as good as it was immediately prior to being disturbed by Company, Town and Company will negotiate an alternative restoration plan (in writing) to remedy the situation. Absent an agreement to an alternative restoration plan, either party has a right to request review of the matter by any court or regulatory agency having jurisdiction.

Acceptance by either party of any payment due under this Section shall not be deemed to be a waiver by either party of any claim of breach of this Franchise, nor shall the acceptance by either party of any such payments preclude either party from later establishing that a larger amount was actually due or from collecting any balance due. Nothing in this Section shall be deemed a waiver by either party of its rights under law or equity.

G. Interest on late payments shall be calculated in accordance with the interest rate for customer deposits established by the Public Utility Commission of Texas in accordance with the Texas Utilities Code, Section 183.003, as amended for the time period involved.

- (3) If the Event of Default is not cured within the time period allowed for curing the Event of Default as provided for herein, such Event of Default shall, without additional notice, become an Uncured Event of Default, which shall entitle Town to exercise the remedies provided for in Section 11.C.

C. Remedies. The Town shall notify the Company in writing of an alleged Uncured Event of Default as described in Section 11.B, which notice shall specify the alleged failure with reasonable particularity. The Company shall, within thirty (30) business days after receipt of such notice or such longer period of time as the Town may specify in such notice, either cure such alleged failure or in a written response to the Town either present facts and arguments in refuting or defending such alleged failure or state that such alleged failure will be cured and set forth the method and time schedule for accomplishing such cure. In the event that such cure is not forthcoming, Town shall be entitled to exercise any and all of the following

cumulative remedies:

- (1) The commencement of an action against Company at law for monetary damages.
- (2) The commencement of an action in equity seeking injunctive relief or the specific performance of any of the provisions that as a matter of equity, are specifically enforceable.

D. The rights and remedies of Town and Company set forth in this Franchise Agreement shall be in addition to, and not in limitation of, any other rights and remedies provided by law or in equity. Town and Company understand and intend that such remedies shall be cumulative to the maximum extent permitted by law and the exercise by Town of any one or more of such remedies shall not preclude the exercise by Town, at the same or different times, of any other such remedies for the same failure to cure. Town shall not recover both liquidated damages and actual damages for the same violation, breach, or noncompliance.

E. Termination. In accordance with the provisions of Section 11.C, this Franchise may be terminated upon thirty (30) business day's prior written notice to Company from Town. The final decision of the Town Council may be appealed to any court or regulatory authority having jurisdiction. Upon timely appeal by Company of the Town Council's decision terminating the Franchise, the effective date of such termination shall be either when such appeal is withdrawn or an order upholding the termination becomes final and unappealable. Until the termination becomes effective the provisions of this Franchise shall remain in effect for all purposes. The Town recognizes Company's right and obligation to provide service in accordance with the Certificate of Convenience and Necessity authorized by the Public Utility Commission of Texas in accordance with the Texas Utilities Code.

The Town shall endeavor to provide Company with reasonable notice and opportunity to review and comment upon any new or revised Town laws, rules, or regulations that impact Company's use of the Public Rights-of-Way, but the failure to do so shall not affect the applicability of such laws, rules, or regulations to Company. Nothing herein shall be deemed a waiver, release or relinquishment of any right by either party to contest, appeal, or file suit with respect to any action or decision of the other party.

SECTION 15. WAIVER OF BREACH:

The waiver by either party of any breach or violation of any Provision of this Franchise shall not be deemed to be a waiver or a continuing waiver of any subsequent breach or violation of the same or any other Provision of this Franchise.
